Select the action item(s) you pledge to take in July 2026:

☐ Implement "Skip the Stuff" at Checkout

Only provide receipts or bags if the customer requests them.

☐ Eliminate Plastic Bags

Require customers to provide their own bags, offer paper bags at a small fee, or provide cardboard boxes for them to use in place of a bag.

Go further with this idea by:

1. Offering an incentive for customers who bring their own bag.
2. Promoting *International Plastic Bag Free Day* on July 3rd.

☐ Minimize Plastic Packaging

Choose products or vendors that minimize plastic packaging.

☐ Eliminate Plastic Wrapping

Replace plastic bubble wrap and air pillows with paper padding, shredded cardboard, or other reusable cushioning.

☐ Designate an Area for Plastic-Free Products

Highlight plastic-free products in a dedicated section or with shelf tags to increase visibility and awareness.
